

Angela Tang

HR & Training Partner

Biography

Angela has great passion in building committed and engaged teamplay. She believes that effective communication and collaboration improve organisational effectiveness. This belief is borne out of her more than two decades of working in HR partnership and management roles in various industry sectors: retailing, luxury brands, FMCGs, and hi-tech.

Angela has great passion in building committed and engaged teamplay. She believes that effective communication and collaboration improve organisational effectiveness. This belief is borne out of her more than two decades of working in HR partnership and management roles in various industry sectors: retailing, luxury brands, FMCGs, and hi-tech.

Angela brings a wealth of HR experiences working with European, American and Japanese multi-nationals. Her latest in-house appointment was HR Director of a renowned US-based semiconductors company overseeing Asia Pacific region, where she gained reputation of building high-performance culture and delivering results. She worked intimately with the client departments, and has led the Asia Pacific employees through multiple Mergers & Acquisitions and Divestitures in such a diverse and volatile industry while maintaining low attrition and high momentum. She was identified the star performer of the company in consecutive years.

Angela is an expert in Communication. She is an expert in Communication, Negotiation and Influencing Skills, and a guru in performance management. In her many years of experience, she has built up pools of talents and young managers in various multi-national organisations. She places strong emphasis on building self-awareness, inspiring, empowering and prompting actions.

Angela has designed and delivered Communication, Staff Motivation, New Leaders Assimilation, Performance Management programmes as well as Employee Counselling to over a thousand staff force across Asia with particular significance in China and Taiwan. She is a licensed trainer in Emotional Intelligence and Resilience Skills. She also performs assessments for organisations to evaluate their people effectiveness. She enjoys facilitating change and bringing out the best in others.

Behind Angela's considerable experience, she carries a Master degree in General Business Administration from the University of Hull. She is a member of the British Psychological Society and a licensed administrator of psychometric testing.
